Dear Resident: The Freeport Sanitation Department collects refuse and debris from homeowners and roadways throughout the Village in the most practical, safe, and cost-effective way. Attached is your 2018 Sanitation Collection Calendar, which runs from March 1, 2018 to February 28, 2019. This calendar provides information regarding the proper way to dispose of your refuse, yard waste, recyclables, and unwanted bulk items on the days when garbage is collected for your area.

HOLIDAYS – Garbage will not be collected on holidays; for specific post-holiday collection, please check the schedule. Also, please review the legend/chart included with this schedule to identify the type of garbage to place on your curb on collection days.

In the event that your garage exceeds the limit for your household/property, you can dispose of those items at the Town of Hempstead (TOH) Sanitation Department's Homeowner Disposal Area, located at 1600 Merrick Road. This site is open Monday through Friday, from 9 A.M. to 3 P.M.—Saturday and Sunday, from 8 A.M. to 3:30 P.M. (except on Town of Hempstead observed holidays.) All residents will be asked to provide proof of residency, such as a driver's license or a tax bill. Please call the TOH Sanitation Department at (516) 378-4210 if you have any questions regarding their hours of operation or allowable disposal items.

By using this calendar, and all of the waste management information it contains, your cooperation will continue to help us to maintain a clean and environmentally friendly quality of life. Remember to always check this calendar for your scheduled collection dates to ensure proper waste removal, without delay. For your convenience, this calendar is also available on our website at www.freeportny.gov, listed under "Sanitation Schedules" on the homepage.

If you have any questions about the Freeport Department of Public Works (DPW) or other quality of life concern, please feel free to visit my office for a quality of life meeting on Tuesdays from 12 P.M. to 7 P.M. or email mayor@freeportny.gov.

Yours for a finer Freeport,

Mayor

IMPORTANT THINGS TO REMEMBER!

- Please note that residents can dispose of bulky debris and other non-hazardous items at the Town of Hempstead sanitation facility located at 1600 Merrick Road, Merrick. The facility is open Monday to Sunday, 8:00 AM to 3:30 PM., with the exception of holidays. The phone number for the facility is (516) 378-4210.
- Do not place household waste in recycling containers.
- Avoid missed pickups by always placing refuse at the curb after 6:00 P.M. the night before your scheduled pickup day.
- Remove empty containers from the curb as soon as possible.
- Hazardous waste is not collected. Items include the following: aerosol cans, ammonia, ammunition, antifreeze, asbestos, bleach, bug and rodent killers, automobile batteries, chemistry sets, degreasers, disinfectants, drain cleaners, explosives, fertilizers, fireworks, fire extinguishers, flammable liquids, infectious or medical waste, kerosene, lacquer, latex and oil based paint, oven cleaners, paint stripper, paint thinner and brush cleaner, photography chemicals, polishes & wood preservers, propane or oxygen tanks, radioactive materials, solvents, spot removers, swimming pool chemicals, varnish, unlabeled materials, waste oil, and weed killers. Please see www.TOH.LI for the Town of Hempstead S.T.O.P. Program for disposal of hazardous waste.
- **When in doubt, don't put it out.**

Residents must now call 377-2289 for special pickup of electronics.

What You Should Know About Your Sanitation Service.

1. Are my refuse collection days changing?

NO. Refuse collection still will be done on **Monday and Thursday**, with the exception of holiday weeks when collection may move forward by one day. All holiday changes are reflected in the calendar, so please post your schedule where you can review it during the year.

2. How do I ensure that my refuse and recycling will be picked up as scheduled?

Refuse should be placed at curbside **after 6 P.M. the night before your scheduled pick-up**. Materials placed at the curb **after 6 A.M. may not be collected if the carter has passed by already**. Curbside items should be placed where they can be seen clearly from the street and not obstructed by parked vehicles.

3. Is there a limit on how much refuse I can have picked-up each week?

YES. One-family residences are limited to a **total of five** cans, pails, bags or bundles of non-recyclable waste on each of the two collection days per week. Legal two- three- and four-family residences shall have the same limit per unit.

4. What is the proper container for my household waste?

We strongly recommend that you deposit household waste in **32-gallon metal or plastic cans with covers**. Adding plastic bag liners is optional and can help keep your cans clean and make them less likely to attract animals. Waste also may be put at curbside in **heavy-duty** plastic bags. However, their use is not recommended because they are vulnerable to animals and adverse weather conditions. In the event that a plastic bag bursts or is opened, **it is the homeowner's responsibility to clean up the spill**. The use of paper bags or light-weight plastic bags is not permitted unless they are placed in covered metal or plastic cans. All containers and covers should be marked indicating the property owner's address. **Plastic cans and covers are very light, and in windy conditions easily knocked over, especially those with wheels.**

5. Is there a weight limit?

YES. To ensure the safety of our sanitation workers, containers, bags or bundles weighing more than 50 pounds cannot be collected.

6. Which items will be picked up on which days?

SOLID WASTE / HOUSEHOLD REFUSE ITEMS will be picked up **twice each week** on the days noted on the calendar. Your normal refuse collection days are **Monday and Thursday**. However, during holiday weeks, collection days may move forward by one day. Please check your schedule. You are permitted to place **five** bags, pails, cans or bundles of non-recyclable waste at the curb on

each of the two collection days. None of the items should exceed 50 pounds.

RECYCLED ITEMS

YOUR RECYCLING DAY IS WEDNESDAY

with the exception of holiday weeks when collection may move forward to the following Saturday.

NEWSPAPERS should be placed in a brown paper shopping bag or securely tied and placed in your square blue recycling container. Placing paper in other containers can confuse the driver, who will be looking for the square blue recycling container when driving up your street. Newspaper is collected on **PAPER COLLECTION DAY** as noted on the calendar.

CARDBOARD should be placed on the curb with your newspapers. These items should be folded and securely tied in bundles no larger than 4 feet long and 2 feet wide. Cardboard is collected on **PAPER COLLECTION DAY** as noted on the calendar and will not be collected with your regular refuse.

COMMINGLED CONTAINERS, including glass beverage containers, metal food and beverage containers, aluminum foil, aluminum food containers, license plates and all plastic items with a recycling logo 1 through 6," should be placed in the provided round recycling container marked **"Bottles and Cans"**. They will be collected on your **BOTTLES AND CANS COLLECTION DAY** as noted on the calendar.

YARD WASTE

YARD WASTE - up to 20 pails or bags - will be collected every **WEDNESDAY**, except during weeks containing a holiday. Yard waste consists of Christmas trees, leaves, grass clippings and garden waste, as well as twigs and branches measuring less than six inches in diameter. Wood is not yard waste and should be treated as a bulk item. Yard waste shall be placed in containers or bags and weigh no more than 50 pounds. Bricks and Dirt are not collected. Leaves must be placed in bags. Loose leaves in the gutter WILL NOT BE COLLECTED.

Branches shall be tied in bundles no larger than 4 feet long and 2 feet wide and shall not weigh more than 50 pounds.

Tree stumps and branches larger than six inches in diameter must be removed at the owner's expense.

BULKY AND METAL ITEMS

BULKY ITEMS larger than 2 feet by 2 feet by 4 feet and **too heavy to be picked up easily by two workers** will be picked up each week on **THURSDAY**, with the exception of holiday weeks when collection may move forward by one day. No special appointment is required.

BULK METAL ITEMS are large, primarily

metal appliances manufactured for residential use and are limited to the following: refrigerators, freezers, ovens, stoves, washing machines, dryers, dishwashers, swing sets, barbecues, hot water heaters, steel file cabinets, air conditioners, lawn mowers, bicycles, furniture, mattresses and rugs. **Six (6) bulk items in addition to the regular five (5) cans, pails or bags of household waste are permitted each bulk collection day.**

HOMEOWNER CONSTRUCTION DEBRIS, which consists of waste building materials resulting from residential small do-it-yourself construction, remodeling, renovation or repair operations, are considered bulk items. Such materials are to be bundled, bagged or placed in containers for collection. **Residents are limited to a total of six bulk items and pails of construction debris each week.**

E-CYCLING PROGRAM

7. What is it, and how does it work?
A change in New York State Law took effect on January 1, 2015. Consumers may no longer dispose of electronic equipment in landfills, waste-to-energy facilities, in the trash, or at curbside for trash pickup. Residents are now required to call 377-2289 to schedule an e-cycling special pickup.

In addition to these curbside special pickups, residents may also bring e-waste to the e-cycling container located just north of the Freeport Public Works complex, 355 Albany Avenue.

Electronic special pickup is required for the following items:

- Computers ALL PERSONAL INFORMATION SHOULD BE ERASED
- Televisions
- Cathode ray tubes
- Computer peripherals (Monitors)
- Electronic keyboards
- Electronic mice or similar pointing devices
- Facsimile machines, document scanners, and printers
- Small electronic equipment (VCRs)
- Digital video recorders (DVRs)
- Portable digital music players
- DVD players (Digital converter boxes)
- Cable or satellite receivers
- Small scale servers

8. What items are not collected?
Hazardous waste is not collected. Please see list of items on the reverse side under "Things To Remember." **Bricks and dirt are also not collected.** It is the homeowner's responsibility to dispose of these items.

9. Who can I talk to if I have questions about sanitation procedures?

Call the Village Sanitation Division at 516-377-2375 between 8:30 a.m. and 4:30 p.m. Monday to Friday, or email sanitation@freeportny.gov. For more information, go to the Village's Web Site: www.freeportny.gov
